

## Selective Call Forwarding

Residential \$1.50

Business \$2.00

Selective Call Forwarding enables you to have your most important calls follow you. You select and program the calling phone numbers you want forwarded and the destination number to which they are forwarded <sup>1</sup>. When this feature is turned on, calls from numbers in your forward list will be routed to your forward-to number. All others will ring at your phone as usual.

How to use Selective Call Forwarding:

Press \* 6 3 (On a rotary phone, dial 1163) Listen for an announcement telling you whether the feature is currently on or off. A prerecorded voice will then tell you how many (if any) numbers are currently stored in your forward list.

Follow the voice instructions and press 3 to turn the feature ON (if it is currently off) or turn the feature OFF (if it is currently on).

To add the last caller to your forward list: Press # 0 1 # (On a rotary phone, dial 1201)

To enter your forward-to number: If the current number is correct, press 1

If you wish to change the current forward-to number, press 0 and then follow the voice instructions.

To add a number to your list: Press # (On a rotary phone, dial 12) Follow the voice instructions. You can store up to 16 phone numbers on your forward list.

To remove a number from your list: Press \* (On a rotary phone, dial 11) Follow the voice instructions to remove any or all of those numbers from your list.

To hear the phone numbers on your list: Press 1 After the list is read, voice instructions will follow.

To hear instructions again: Press 0

Notes:

You may press 1 0 # or \* (On a rotary phone, dial 1, 0, 12, or 11) at any time rather than waiting for the voice instructions.

The list you create here is separate from any other lists you may be using for Distinctive Ringing, Selective Call Rejection, Selective Call Acceptance, and similar services.

This service can work with Call Forwarding (all calls). Numbers on your preferred list will follow you to your Selective Call Forwarding number <sup>1</sup>. All other calls will be routed to your regular Call Forwarding number.

<sup>1</sup> Toll charges apply if you forward calls to a long distance number.
